S.S.C. WILL GIVE TWO WEEKS' VACATION FOR THE HOLIDAYS.

Football Season at End—S. S. C.
Won Every Game Played This
Year—A Big Record.

GETTING READY FOR BASKET BALL SEASON.

Sociality to Receive New Members
Monday—List of Premiums for
Month of November.

Before many days will have passed the students of St. Stanislaus College will be scattered over the surrounding country, enjoying the brief breathing spell which is always partaken of the entering upon the final stretch. The holidays, which start Tuesday, December 9th, and end January 5th, give the boys two full weeks in which to recuperate from the nervous strain of the past three or four months. The boys are finding it a pretty tough proposition to keep their minds wholly on their studies. Although up to the present writing there hasn't been any cause to kick, as everyone seems to have taken an interest in his work and we have heard very few, if any complaints. On the contrary, if talk will accomplish anything, all hands point to an increased attendance after Christmas, and we think that some of the fellows building chicken coops over beyond the coal yard will better look for themselves first.

Curtain Falls on Football Season.
Last Thursday the curtain fell on the most remarkable football season the college has ever had. The team went through the season without defeat, though there were times when some thought the end was near, but no one spoke his thoughts and the season was served up in fine style. The last game was played against the use of boats, though they would have been out of place; but the weather was very appropriate for one certain member of the team, for he does not feel at home when out of the water. The first part of the day looked very promising and nobody was worried, but old players could no longer conceal his sorrowful chills, poor grass and flowers and the fall of his briny tears in torrents. After the game was over, the players were quickly in order to start the game. In spite of the fact a large crowd witnessed the game, and S. S. C. got away with a 55-0 victory, while the Sailors were glad to get away with what they could.

The absence of our coach, Mr. Foster Commenge, who was sick, slightly handicapped the team, but they ought the harder to bring victory to the door of him who has so gallantly stuck by his little team. It was announced by Mr. Commenge, at a recent meeting of the team members, that the banquet would be given on or about the 14th of December. This was quite a blow to some of the more timid ones and we have a faint idea that these same fellows, after school in the evening are holding in some secluded corner practicing the Cicero stuff in order to get by on the said occasion.

Elms foot ball.
The prospect of a championship basket ball team are greater than ever before. Almost the whole of last year's team is back. Their names are: Andrew Higgins, John Voelkel, William Stack, Milton Phillips and Roy Stafford, who has been recently chosen. These and a few more will be chosen some time during the week complete the roster. A new league has also been formed in order to cover some new material. The captains of the teams are as follows: Melidum, Sonny, Healey, Manning, Robinson, Wilbert, Rosenblath and Cerniglia.

Sociality to Receive New Members.
On November 4th the officers of the Sociality of the Blessed Virgin held a meeting, which lasted half an hour. During that time a few important topics were discussed, among which was the question of receiving new boys. The decision was finally reached on December 8th, as the feast of the Immaculate Conception. This date is also a holiday, and it may mean picture show for some boys. But the graduates positively decline to appear before the President and request that they be allowed to go. That's settled.

A Pleasant Surprise.
Tuesday night before Thanksgiving the young people from the Young Peoples Missionary Society came to Pastor H. C. Roberts' home and gave him and his wife a severe "pounding," and then served hot chocolate and cake. Many substantial and delicious things to eat and some money was given to the pastor and his wife.

We want to express our thanks and appreciation for these nice things, and for the occasion that offered us much pleasure. May the young people be very useful in the Master's service. Pastor and MRS. H. C. Roberts.

CHAPMAN WESTON.
Prominent Social Event at Logtown
Tuesday Night—Beautiful
Church Wedding Largely
Attended.

A pretty event of unusual and prominent social interest of the present week was the wedding of Logtown of Mr. Will W. Chapman of Bay St. Louis, and Miss Gladys Weston, of Logtown, lovely and accomplished young daughter of Mr. and Mrs. A. S. Weston, which occurred Tuesday night at the Methodist church in the presence of a large gathering of friends, who had assembled to pay homage to the popularity of the contracting parties.

The bride was lovely in a creation of silver cloth and tulle with a bridal veil and orange blossoms. She carried a large bouquet of white roses and ferns. Miss Gladys Weston, sister of the bride, was maid-of-honor, and was handsomely gowned in pink silver cloth and tulle. Miss Alice Chapman, the groom's sister, was bridesmaid, and was charmingly dressed in pink tulle. Miss Mary Weston, the other bridesmaid, wore a pink georgette crepe. Little Miss Bettye Lois Rousseaux was flower girl and was very daintily in lovely pink dress. Each attendant carried bouquets of pink roses and ferns.

Such an array of beauty and femininity was such a sight to win the eye and the rapturous exhilaration of the artistic sense. The gowns, the tout ensemble was marvelously beautiful, and the scene of this wedding was one not to be forgotten.

Lieutenant Alfred Chapman, brother of the groom, who returned home on Monday from overseas service, was best man. The groomsmen were: Messrs. Coburn L. Weston, the bride's brother, and Irving Lea, of New Orleans. Master J. C. Rousseaux was ringbearer, Messrs. Law-

rence Chapman and Lamar Otis were ushers.

It was evident that loving hands and tender hearts, artists of the soul, had decorated the church, for here was an exposition of all that was tasty and beautiful, breathing the very spirit of the auspicious occasion. A wealth of chrysanthemums and delicate ferns was banked in profusion on every side. An immense flower-covered bell was suspended from an arch, made of vines, and therefrom radiated many miniature electric lights. Under this bell the interesting ceremony took place.

After the singing of a solo by Mrs. J. A. Mead, accompanied by Miss Alice Fountain, the bride party entered to the strains of Mendelssohn's Wedding March. The bride's father accompanied her to the altar, where the impressive ceremony was performed by Rev. J. C. Rousseaux.

A large array of friends then motored over to Bay St. Louis to see the happy couple safely aboard the train for Atlanta, where they will remain for about ten days, after which they will go for a cruise on the "honeymoon" yacht "Alga."

Mr. and Mrs. Chapman will be at the brightest flowers and heaven's choicest of bride and groom in heartiest welcome in Bay St. Louis, about the eighteenth.

The Echo joins the many friends in congratulations. May their lives be one of many years, their path strewn with good blessings showered by their friends, in addition to the many friends who witnessed the ceremony an additional testimonial of the esteem and high regard in which the young couple is held was attested to by the many and handsome presents received.

Kidney disease is no respecter of persons. A majority of the ill-suffering people that can be traced back to the kidneys are troubled with backache. The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as its victim. The signs and symptoms are usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach troubles, pain in joints, loss of appetite, and a general feeling of depression, edema and lumbago.

All these derangements are nature's signals that the kidneys need help. You should use GOLD MEDAL Backache Kidney Pills immediately, as soothing, healing oil stimulates kidneys, relieves inflammation and destroys the germs which have caused you to suffer. —Corporal Chester Randolph, who was home on a thirty-day furlough for the Philippine Islands, to be gone several years. While here, Corporal Randolph took a short course in social service, A. R. C. work and will work in connection with the Hancock County Home Service Section Chapter.

—Mayor R. W. Webb has requested The Echo to call the attention of the public to the rules and regulations of the federal fuel administration. Save lights, save fuel, cautions the Mayor. His orders from headquarters are that stores will close at 8 P. M. and 9 P. M. on Saturdays. The city street lights will not be burning on moonlight nights.

—The Echo exceedingly regrets to learn of the serious illness from typhoid fever of its young friend, Mr. Robert G. Campbell, of this county, who left here recently for Bowling Green, Ky., in order that he might take up a course at a commercial college at that place. His condition is so critical that both his brother, Alexander, and sister, Miss Christina, have gone to his bedside.

—Mayor R. W. Webb has issued his official proclamation designating Wednesday, Dec. 10, as Tuberculosis Day, and urges the purchase on that day of Tuberculosis Christmas Seals in order that the great white plague might be stamped out. It is a call for humanity's sake and no one will fail to answer.

—Mr. H. J. Thurston, president of the Thurston Canning Co., was a business visitor to New Orleans yesterday. The Echo is gratified to learn of the constant expansion of the business of that company. Its product is now placed extensively on the market and the demand for more continues.

—The annual conference of the Methodist Church has just adjourned after being in session in Meridian for ten days, and appointed Rev. W. G. Forsyth, now at Pascagoula, pastor of the Main Street Methodist Church. Rev. Forsyth was formerly local pastor in charge and although some number of years ago he will come here no stranger.

—Dr. John M. Hume, with the rank of captain, U. S. A., is here with his family for the winter months, and with his family will occupy one of the Sange properties in Carroll avenue. The Captain is just out of the hospital and comes here to recuperate. He was in France during the battle and was in active service in Italy when the armistice was signed.

—Col. Charles Marshall returned home Wednesday from New Orleans, where he passed the past several weeks at Toussaint Hospital, recovering from the injury received while alighting from a train one night in Bay St. Louis. Col. Marshall is at home in the family home in Front street, and The Echo is glad to note that he is on the high road to recovery.

—Quite an interesting Thanksgiving program was rendered by the students of the Valena C. Jones High School Wednesday evening. The old and unfortunate people of the city were not forgotten by the girls and boys, and the teachers urged the children to bring pounds as a thanksgiving offering. They cheerfully responded by bringing between 250 and 300 pounds for the poor.

—Rev. and Mrs. Thomas B. Clifford and daughter, Miss Mary, have Bay St. Louis good-byes Thursday morning, after a residence here of several years. Dr. Clifford was rector of Christ Episcopal Church and was most active and successful in his work. He left here in response to a call of Mt. Olive church in Algiers. During the war, he clerked for the Hancock County draft board. Dr. Clifford was a valued worker for the government. Mrs. Clifford was identified with every move for the public good and was most active in the Red Cross work. Their departure from Bay St. Louis is greatly regretted. No assignment has as yet been made to fill the vacancy in the local church. The Echo wishes to here acknowledge the excellence of the newspaper reportorial work Mrs. Clifford did for these columns. Her work was of a high order.

THE REASONS FOR THE CLUB

To provide a way for those of moderate and even small means to bank their money.

To teach "the saving habit" to those who have never learned it.

To give young folks a practical education about money—by showing them that if they give up the little things they want today, they can get the big things later.

To give a "bank connection" and show you how our bank can be of service to you.

WHO GETS THE MONEY YOU EARN?

Money spent is money gone—Money Banked is Money SAVED.

It isn't the money you make that counts, but the money you save, and there is no better way to acquire a bank account than by joining our Christmas Banking Club.

Ask any wealthy man how he "got his start"—he will tell you that he saved and Banked his money.

Get your start. Get it today. Come in and join our Christmas Banking Club.

WE PAY YOU 4 PER CENT. ON YOUR CHRISTMAS SAVINGS

HANCOCK COUNTY TO HAVE FAIR 1920 ASSURED.

Officers Elected for Next Year and Bigger and Better Fair Proposed by Those in Charge.

That Bay St. Louis and Hancock County are to have a fair next fall was unanimously decided at a special meeting of the citizens of the county at the courthouse Monday morning, at which meeting the county was well represented. Hon. H. S. Weston, of Logtown, presided, stating the object of the meeting at the outset.

The election of officers resulted as follows: David Weston, Logtown, president; Chas. G. Moreau, Bay St. Louis, vice-president; T. E. Keller, County Superintendent-elect, secretary; and Leo W. Seal, of the Hancock County Bank, treasurer. Executive Committee: David Weston, Chas. G. Moreau, T. E. Keller, Leo W. Seal, Frank B. Pittman, Miss Sallie C. Girlet.

The meeting was addressed by Messrs. H. S. Weston, Frank B. Pittman, and Representative-elect Fleming. The Board of Supervisors members pledged their support to their fair, and announced that, under law, if the necessary petition for the fair with at least 100 signers were presented, the Board would appropriate \$750.00 towards the project. This matter will be taken up at the January meeting of the Board.

The meeting adjourned. The executive committee will shortly be called by President Weston to immediately launch the work for a better and bigger fair for 1920. The catalogue, it was proposed, would be issued some time in January, rather than during the late summer as has been the custom heretofore. This will give the farmers and others wishing to compete for prizes and making exhibits plenty of time in which to prepare.

As the bulk of the country people contribute largely to the success of the exhibits, the Bay St. Louis merchants and other business men will be called upon in due time to do their share towards the project, particularly since the holding of the fair in Bay St. Louis means so much to the town.

PROCLAMATION.

Whereas a drive for a commendable and laudable purpose is being made for the sale of Christmas Seals for the purpose of raising funds for stamping out tuberculosis, and

Whereas the campaign is one that cannot be too highly endorsed and too much material support cannot be given,

Therefore, in conformity with the purposes in view and to better serve the ends, I designate WEDNESDAY, December 10, 1919, as Tuberculosis Day, thereby set aside for the special sale of the Christmas Seals.

R. W. WEBB, Mayor.

Death of Simon Murphy, Napoleon.

Hancock county lost another valued citizen recently in the death of that well-known resident, Simon Murphy, a resident of Napoleon, this county, for many years. The news of his demise, while not wholly unexpected, brought much sorrow and heartfelt sympathy of the people who have known the Murphy family for all these years goes out to the household in this hour.

Mr. Murphy, who had been ill for several months, died at the family home Monday, November 24, 1919, aged 76 years. He is survived by his wife and seven grown sons, a splendid family who have been left the heritage of a good name, a long and well-spent life, filled with golden deeds and unobscured spirit.

The funeral took place the following day, Tuesday, afternoon at 4 o'clock, burial at Napoleon cemetery, Rev. Eugene Piroit officiating. The funeral was largely attended, many paying their last respects to the memory of one who had won the admiration and respect of all who knew him.

BAY ST. LOUIS HIGH SCHOOL NEWS NOTES.

We are very sorry to lose one of our seniors, Mary Clifford who has gone to New Orleans, where she will reside in the future. She will attend the Esplanade High School, and we are quite sure that our "Mary Dear" will be welcomed.

The High School pupils are especially proud of Bert, our young "Calhoun," who expects to be ambassador to some uncivilized country. Mr. Spencer announced that these should be no "son-of-a-guns" lying around the study hall and the person that stepped on one would be punished. So watch your step, teachers, or you may be punished too.

The self-government plan is being discussed by the faculty and student body. We expect it to go into effect soon.

The last program of our Literary Society was enjoyed by all. We were especially flattered by the presence of a number of our former graduates and patrons.

The next meeting of the society

will be held on December the 12th. The program will be as follows:

1—M. Talbot's room. 2—Local news, A. Little. 3—Querest, S. Frenching. 4—Reading, A. Del Bondio. 5—Story, H. Jackson. 6—Violin solo, R. von Ehren. 7—Monologue, R. Laidner. 8—Recitation, G. Perkins. 9—Essay on Manners, B. Jackson. 10—Six Maxims of Life, W. D. Ansley. 11—Society Critic—Mrs. Roddy.

ALMA VON DROZKOWSKY, HERMIE PERKINS, Reporters.

Mr. R. Brown, one of the substantial citizens of the county, was here from the Kfir vicinity yesterday in the interest of business affairs.

Ford
THE UNIVERSAL CAR

Insist on Genuine Ford Parts.

Imitation "Ford" parts are being sold by many mail-order houses, downtown stores and garages to unsuspecting Ford owners as "Ford" parts. But they are not genuine Ford parts. They are made by concerns that have no connection whatsoever with the Ford Motor Company. Tests have shown them to break when the genuine Ford parts didn't even bend.

The authorized Ford dealers are your protection. As such, we handle nothing but the Genuine Ford parts. They are made from the famous Ford Vanadium Steel, and each part—according to its use—is heat-treated in the way that will give it the longest wearing qualities.

Our Ford Garage and Ford mechanics are at your service at all times. Drive in when replacements or repairs for your Ford car may be necessary. Save your car and also your money.
